16 March 1979

MEMORANDUM FOR: Deputy to the DCI for Resource Management
FROM: Director of Central Intelligence
SUBJECT: Letter to Jim Woolsey []

25X1

1. I amended your letter to Jim Woolsey (M-0042-79 II) so as not to make a firm commitment to the course of action they have proposed. I agree with you it looks very favorable; at the same time, I think it is only fair to do a thorough comparison with [] I was pleased, as I mentioned in some other notes, with the progress we were making in getting a better [] proposal to compare with [] I'd now like to ask you to lay out the cost and performance comparisons of this latest [] plan with the [] plan so that we can focus on the pros and cons. []

2. Would you also pull together what proposals we would make to Woolsey by way of how to proceed with his plan. Let's get our own house in order with you, me and Les Dirks as quickly as possible, and then get on with the program. []
